

INVESTOR FACT SHEET - Q2 2009

...helping people live better

Extendicare Real Estate Investment Trust (Extendicare REIT) is a leading North American provider of long-term and short-term senior care services. Through its network of owned and operated health care centers, Extendicare REIT's qualified, experienced and dedicated workforce helps people to live better through a commitment to the highest standards of quality service in the areas of post-acute care, rehabilitative therapies and home health care.

Extendicare REIT pays a monthly cash distribution to its unitholders. Extendicare REIT is a SIFT, and has been subject to the SIFT tax since January 1, 2007.

Extendicare REIT generates strong cash flow and has a proven long-term growth strategy based on organic growth, new developments and accretive acquisitions through:

- Strong demographic trends toward an aging population in North America, which are leading to increased demand for rehabilitative and long-term resident health care services.
- Successful operation of health care business and ownership of real estate assets provide financial and operating flexibility and control.
- Long-term growth strategy enabled by property development experience, disciplined facility reinvestment programs, accretive acquisitions and expansion into ancillary lines of business.
- Strong cash flow based on proven record of senior care operations, government funding and strategic location of centers.
- Experienced management team committed to building market share and maintaining a well-earned reputations for providing quality care to customers in Canada and in the United States.

STRATEGIC PRIORITIES

Extendicare REIT's priority for the balance of 2009 is to continue to execute its back-to-basics operating plan. This plan entails:

- Managing costs and improving efficiencies
- Enhancing U.S. senior care business
 - Increasing skilled and quality mix
 - Increasing occupancy
 - Developing specialty programs
- Enhancing Canadian senior care business
 - New management and consulting contracts
 - New home health care contracts

INVESTING IN FUTURE GROWTH

Extendicare REIT has been concentrating on the following six development projects, each with an attractive expected return on investment (completion dates in parentheses).

1. 100-bed SNF in Okemos, Michigan (opened July/09);
2. 100-bed SNF in Summit, Wisconsin (November/09);
3. 60-unit ALC in Summit, Wisconsin (November/09);
4. 280-bed continuing care center in Red Deer, Alberta (summer 2010);
5. 140-bed designated ALC in Lethbridge, Alberta (spring 2011); and
6. 180-bed nursing center in Edmonton, Alberta (fall 2011).

Estimated cost of development projects:

- 3 Canadian projects – \$80M (\$12M leveraged net investment); and
- 3 U.S. projects – US\$35M.
