**Notes:**

- (1) Some of the assisted living and retirement units are in wings attached to nursing homes. In this case, the facility is only counted once in the "Nursing Homes - # of homes" column, and the related nursing home beds and assisted living units are reported separately in the related "Resident Capacity" columns.
- (2) EHSI owns an inpatient rehabilitation hospital in Michigan, USA; ECI manages a chronic care hospital unit in Ontario, CA.
