Background

This service accountability agreement, entered into pursuant to the *Local Health System Integration Act, 2006* (“LHSIA”), reflects and supports the commitment of the LHIN and the HSP to, separately, jointly, and in cooperation with other stakeholders, work diligently and collaboratively toward the achievement of the purpose of LHSIA, namely “to provide for an integrated health system to improve the health of Ontarians through better access to high quality health services, co-ordinated health care in local health systems and across the province and effective and efficient management of the health system at the local level by local health integration networks”.

The HSP and the LHIN, being committed to a health care system as envisioned by LHSIA, intend to cooperate to advance the purpose and objects of LHSIA and the further development of a patient-centered, integrated, accountable, transparent, and evidence-based health system contemplated by LHSIA. They will do so by such actions

as: supporting the development and implementation of sub-regions and Health Links to facilitate regional integrated health care service delivery; breaking down silos that inhibit the seamless transition of patients within the health care system; striving for the highest quality and continuous improvement in the delivery of health services and in all aspects of the health system, including by identifying and addressing the root causes of health inequities, and by improving access to primary care, mental health and addiction services and wait times for specialists; and otherwise striving for the highest quality and continuous improvement in the delivery of health services and in all aspects of the health system.

The HSP and the LHIN are committed to working together, and with others, to achieve evolving provincial priorities including those described: in mandate letters from the Minister of Health and Long-Term Care to the LHIN; in the provincial strategic plan for the health system; and, in the LHIN's Integrated Health Services Plan.

The LHIN recognizes municipalities as responsible and accountable governments with respect to matters within their jurisdiction. The LHIN acknowledges the unique character of municipal governments that are funded health service providers (each a "Municipal HSP") under the Provincial Long-Term Care Home Service Accountability Agreement template (the "LSAA"), and the challenges faced by Municipal HSPs in complying with the terms of the LSAA, given the legal framework under which they operate. The LHIN further recognizes and acknowledges that where a Municipal HSP faces a particular challenge in meeting its obligations under the LSAA due to its responsibilities as a municipal government or the legal framework under which it operates, it may be appropriate for the LHIN to consult with the Municipal HSP and to use reasonable efforts to resolve the issue in a collaborative way that respects the municipal government while operating under the LSAA as a Municipal HSP.

In this context, the HSP and the LHIN agree that the LHIN will provide funding to the HSP on the terms and conditions set out in this Agreement to enable the provision of services to the local health system by the HSP.

In consideration of their respective agreements set out below, the LHIN and the HSP covenant and agree as follows:

 - (1) prudent multi-year financial forecasts;
 - (2) plans for the achievement of Performance Targets; and
 - (3) realistic risk management strategies.

It will be aligned with the LHIN's then current integrated health service plan required by LHSIA and will reflect local LHIN priorities and initiatives. If the LHIN has provided multi-year planning targets for the HSP, the Planning Submission will reflect the planning targets.

- (c) **Multi-year Planning Targets.** The parties acknowledge that the HSP is not eligible to receive multi-year planning targets under the terms of Schedule B in effect as of the Effective Date. In the event that Schedule B is amended over the term of this Agreement and the LHIN is able to provide the HSP with multi- year planning targets, the HSP acknowledges that these targets:
- (1) are targets only;
 - (2) are provided solely for the purposes of planning;
 - (3) are subject to confirmation; and
 - (4) may be changed at the discretion of the LHIN.

The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets.

The LHIN agrees that it will communicate any material changes to the planning targets as soon as reasonably possible.

- (d) **Service Accountability Agreements.** Subject to advice from the Director about the HSP's history of compliance under the Act and provided that the HSP has fulfilled its obligations under this Agreement, the parties expect that they will enter into a new service accountability agreement at the end of the Term. The LHIN will give the HSP at least 6 months' Notice if the LHIN does not intend to enter into negotiations for a subsequent service accountability agreement because the HSP has not fulfilled its obligations under this Agreement. The HSP acknowledges that if the LHIN and the HSP enter into negotiations for a subsequent service accountability agreement, subsequent funding may be interrupted if the next service accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 Community Engagement & Integration Activities.

- (a) **Community Engagement.** The HSP will engage the community of diverse persons and entities in each area where it provides health services when setting priorities for the delivery of health services in that area and when developing plans for submission to the LHIN including but not limited to the HSP's Planning Submissions and integration

proposals. As part of its community engagement activities, the HSPs will have in place, and utilize, effective mechanisms for engaging families and patients to help inform the HSP plans, including the HSP's contribution to the establishment and implementation by the LHIN of geographic sub-regions in its local health system.

- (b) **Integration.** The HSP will, separately and in conjunction with the LHIN and other health service providers, identify opportunities to integrate the services of the local health system to provide appropriate, coordinated, effective and efficient services.
- (c) **Reporting.** The HSP will report on its community engagement and integration activities, using any templates provided by the LHIN, as requested by the LHIN.

6.3 Planning and Integration Activity Pre-proposals.

- (a) **General.** A pre-proposal process has been developed to (A) reduce the costs incurred by an HSP when proposing operational or service changes at a Home; (B) assist the HSP to carry out its statutory obligations; and (C) enable an effective and efficient response by the LHIN. Subject to specific direction from the LHIN, this pre-proposal process will be used in the following instances:
 - (1) the HSP is considering an integration, or an integration of services, as defined in LHSIA between the HSP and another person or entity;
 - (2) the HSP is proposing to reduce, stop, start, expand or transfer the location of services, which for certainty includes: the transfer of Services from the HSP to another person or entity whether within or outside of the LHIN; and the relocation or transfer of services from one of the HSP's sites to another of the HSP's sites whether within or outside of the LHIN;
 - (3) to identify opportunities to integrate the services of the local health system, other than those identified in (A) or (B) above; or
 - (4) if requested by the LHIN.
- (b) **LHIN Evaluation of the Pre-proposal.** Use of the pre-proposal process is not formal Notice of a proposed integration under section. 27 of LHSIA. LHIN consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does the LHIN consent to develop a project concept presume the issuance of a favourable decision, should such a decision be required by sections 25 or 27 of LHSIA. Following the LHIN's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and

business case will be provided by the LHIN.

- (c) Where an HSP integrates its services with those of another person and the integration relates to services funded in whole or in part by the LHIN, the HSP will follow the provisions of section 27 of LHSIA. Without limiting the foregoing, a transfer of services from the HSP to another person or entity is an example of an integration to which section 27 of LHSIA may apply.

6.4 Proposing Integration Activities in the Planning Submission. No integration activity described in section 6.3 may be proposed in a Planning Submission unless the LHIN has consented, in writing, to its inclusion pursuant to the process set out in section 6.3.

6.5 Termination of Designation of Convalescent Care Beds.

- (a) Notwithstanding section 6.3, the provisions in this section 6.5 apply to the termination of a designation of convalescent care Beds.
- (b) The HSP may terminate the designation of one or more convalescent care Beds at a Home and revert them back to long-stay Beds at any time provided the HSP gives the MOHLTC and the LHIN at least 6 months' prior Notice. Such Notice shall include:
 - (1) a detailed transition plan, satisfactory to the LHIN acting reasonably, setting out the dates, after the end of the 6-month Notice period, on which the HSP plans to terminate the designation of each convalescent care Bed and to revert same to a long-stay Bed; and,
 - (2) a detailed explanation of the factors considered in the selection of those dates.

The designation of a convalescent care Bed will terminate and the Bed will revert to a long-stay Bed on the date, after the 6-month Notice period, on which the Resident who is occupying that convalescent care Bed at the end of the 6-month Notice period has been discharged from that Bed, unless otherwise agreed by the LHIN and the HSP.

- (c) The LHIN may terminate the designation of the convalescent care Beds at a Home at any time by giving at least 6 months' prior Notice to the HSP. Upon receipt of any such Notice, the HSP shall, within the timeframe set out in the Notice, provide the LHIN with:

- (1) a detailed transition plan, satisfactory to the LHIN acting reasonably, setting out the dates, after the end of the 6-month Notice period, on which the HSP plans to terminate the designation of each convalescent care Bed and, if required by the Notice, to revert same to a long-stay Bed; and,
- (2) a detailed explanation of the factors considered in the selection of those dates.

The designation of a convalescent care Bed will terminate, and if applicable revert to a long-stay Bed on the date, after the 6-month Notice period, on which the Resident who is occupying that convalescent care Bed at the end of the Notice period has been discharged from that Bed, unless otherwise agreed by the LHIN and the HSP.

6.6 In this Article 6, the terms “integrate”, “integration” and “services” have the same meanings attributed to them in section 2(1) and section 23 respectively of LHSIA, as it and they may be amended from time to time.

(a) “**service**” includes;

- (1) a service or program that is provided directly to people,
- (2) a service or program, other than a service or program described in clause (1), that supports a service or program described in that clause, or
- (3) a function that supports the operations of a person or entity that provides a service or program described in clause (1) or (2).

(b) “**integrate**” includes;

- (1) to co-ordinate services and interactions between different persons and entities,
- (2) to partner with another person or entity in providing services or in operating,
- (3) to transfer, merge or amalgamate services, operations, persons or entities,
- (4) to start or cease providing services,
- (5) to cease to operate or to dissolve or wind up the operations of a person or entity,

and “**integration**” has a similar meaning.

ARTICLE 7.0 — PERFORMANCE

7.1 Performance. The parties will strive to achieve on-going performance improvement. They will address performance improvement in a proactive, collaborative and responsive manner.

7.2 Performance Factors.

(a) Each party will notify the other party of the existence of a Performance Factor, as soon as reasonably possible after the party becomes aware of the Performance Factor. The Notice will:

- (1) describe the Performance Factor and its actual or anticipated impact;
- (2) include a description of any action the party is undertaking, or plans to undertake, to remedy or mitigate the Performance Factor;
- (3) indicate whether the party is requesting a meeting to discuss the Performance Factor; and
- (4) address any other issue or matter the party wishes to raise with the other party.

(b) The recipient party will provide a written acknowledgment of receipt of the Notice within 7 Days of the date on which the Notice was received (“Date of the Notice”).

(c) Where a meeting has been requested under section 7.2(a), the parties agree to meet and discuss the Performance Factors within 14 Days of the Date of the Notice, in accordance with the provisions of section 7.3. PICB may be included in any such meeting at the request of either party.

7.3 Performance Meetings. During a meeting on performance, the parties will:

- (a) discuss the causes of a Performance Factor;
- (b) discuss the impact of a Performance Factor on the local health system and the risk resulting from non-performance; and
- (c) determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the “Performance Improvement Process”).

7.4 The Performance Improvement Process.

- (a) The Performance Improvement Process will focus on the risks of non-performance and problem-solving. It may include one or more of the following actions:
 - (1) a requirement that the HSP develop and implement an improvement plan that is acceptable to the LHIN;
 - (2) the conduct of a Review;
 - (3) an amendment of the HSP's obligations; and
 - (4) an in-year, or year end, adjustment to the Funding,

among other possible means of responding to the Performance Factor or improving performance.

- (b) Any performance improvement process begun under a prior service accountability agreement that was not completed under the prior agreement will continue under this Agreement. Any performance improvement required by a LHIN under a prior service accountability agreement will be deemed to be a requirement of this Agreement until fulfilled or waived by the LHIN.

7.5 Factors Beyond the HSP's Control. Despite the foregoing, if the LHIN, acting reasonably, determines that the Performance Factor is, in whole or in part, a Factor Beyond the HSP's Control:

- (a) the LHIN will collaborate with the HSP to develop and implement a mutually agreed upon joint response plan which may include an amendment of the HSP's obligations under this Agreement;
- (b) the LHIN will not require the HSP to prepare an Improvement Plan; and
- (c) the failure to meet an obligation under this Agreement will not be considered a breach of this Agreement to the extent that failure is caused by a Factor Beyond the HSP's Control.

ARTICLE 8.0 — REPORTING, ACCOUNTING AND REVIEW

8.1 Reporting.

- (a) **Generally.** The LHIN's ability to enable its local health system to provide appropriate, co-ordinated, effective and efficient health services as contemplated by LHSIA, is heavily dependent on the timely collection and analysis of accurate information. The HSP acknowledges that the timely provision of accurate information related to the HSP, the Homes,

their Residents and the HSP's performance of its obligations under this Agreement, is under the HSP's control.

- (b) **Reporting by Home.** For certainty, notwithstanding anything else in this Agreement and consistent with the requirements under the Act, the HSP's reporting obligations under this Agreement apply with respect to each Home individually.
- (c) **Specific Obligations.** The HSP:
- (1) will provide to the LHIN, or to such other entity as the LHIN may direct, in the form and within the time specified by the LHIN, the Reports other than personal health information as defined in LHSIA, that the LHIN requires for the purposes of exercising its powers and duties under this Agreement or LHSIA or for the purposes that are prescribed under any Applicable Law;
 - (2) will comply with the applicable reporting standards and requirements in both Chapter 9 of the Ontario Healthcare Reporting Standards and the RAI MDS Tools;
 - (3) will fulfil the specific reporting requirements set out in Schedule C;
 - (4) will ensure that every Report is complete, accurate, signed on behalf of the HSP by an authorized signing officer where required and provided in a timely manner and in a form satisfactory to the LHIN; and
 - (5) agrees that every Report submitted to the LHIN by or on behalf of the HSP, will be deemed to have been authorized by the HSP for submission.

For certainty, nothing in this section 8.1 or in this Agreement restricts or otherwise limits the LHIN's right to access or to require access to personal health information as defined in LHSIA, in accordance with Applicable Law for purposes of carrying out the LHIN's statutory objects to achieve the purposes of LHSIA, including to provide certain services, supplies and equipment in accordance with section 5(m.1) of LHSIA and to manage placement of persons in accordance with section 5(m.2).

- (d) **RAI MDS.** Without limiting the foregoing, the HSP
- (1) will conduct quarterly assessments of Residents at each Home, and all other assessments of Residents required by the RAI MDS Tools, using the RAI MDS Tools;
 - (2) will ensure that the RAI MDS Tools are used correctly to produce an accurate assessment of the HSP's Residents at each Home ("RAI MDS Data");

- (3) will submit the RAI MDS Data to the Canadian Institute for Health Information ("CIHI") in an electronic format at least quarterly in accordance with the submission guidelines set out by CIHI; and
 - (4) acknowledges that if used incorrectly, the RAI MDS Tools can increase Funding beyond that to which the HSP would otherwise be entitled. The HSP will therefore have systems in place to regularly monitor, evaluate and where necessary correct the quality and accuracy of the RAI MDS Data provided in respect of the Residents at each Home.
- (e) **Health Quality Ontario.** The HSP will submit a Quality Improvement Plan to the Ontario Health Quality Council operating as Health Quality Ontario that is aligned with this Agreement and supports local health system priorities.
- (f) **French Language Services.** If the HSP is required to provide services to the public in French at a Home under the provisions of the *FLSA*, the HSP will be required to submit a French language services report to the LHIN in respect of the Home. If the HSP is not required to provide services to the public in French at a Home under the provisions of the *FLSA*, it will be required to provide a report to the LHIN that outlines how the HSP addresses the needs of its local Francophone community at the Home.
- (g) **Declaration of Compliance.** On or before March 1 of each Funding Year, the Board will issue a Compliance Declaration declaring that the HSP has complied with the terms of this Agreement in respect of each Home. The form of the declaration is set out in Schedule E and may be amended by the LHIN from time to time through the term of this Agreement.
- (h) **Financial Reductions.** Notwithstanding any other provision of this Agreement, and at the discretion of the LHIN, the HSP may be subject to a financial reduction if any of the Reports are received after the due date, are incomplete, or are inaccurate where the errors or delay were not as a result of LHIN actions or inaction or the actions or inactions of persons acting on behalf of the LHIN. If assessed, the financial reduction will be as follows:
- (1) if received within 7 Days after the due date, incomplete or inaccurate, the financial penalty will be the greater of (1) a reduction of 0.02 percent (0.02%) of the Funding; or (2) two hundred and fifty dollars (\$250.00), and
 - (2) for every full or partial week of non-compliance thereafter, the rate will be one half of the initial reduction.

If assessed, financial reductions will be assessed in respect of each Home for which a Report was late, incomplete or inaccurate.

8.2 Reviews.

- (a) During the term of this Agreement and for 7 years after the term of this Agreement, the HSP agrees that the LHIN or its authorized representatives may conduct a Review of the HSP and any one or more of the Homes, to confirm the HSP's fulfillment of its obligations under this Agreement. For these purposes the LHIN or its authorized representatives may, upon 24 hours' Notice to the HSP and during normal business hours enter the HSP's premises including any one or more Homes, to:
 - (1) inspect and copy any financial records, invoices and other finance-related documents, other than personal health information as defined in LHSIA, in the possession or under the control of the HSP which relate to the Funding or otherwise to the Services, and
 - (2) inspect and copy non-financial records, other than personal health information as defined in LHSIA, in the possession or under the control of the HSP which relate to the Funding, the Services or otherwise to the performance of the HSP under this Agreement.
- (b) The cost of any Review will be borne by the HSP if the Review (1) was made necessary because the HSP did not comply with a requirement under the Act or this Agreement; or (2) indicates that the HSP has not fulfilled its obligations under this Agreement, including its obligations under Applicable Law and Applicable Policy.
- (c) To assist in respect of the rights set out in (a) above the HSP shall disclose any information requested by the LHIN or its authorized representatives, and shall do so in a form requested by the LHIN or its authorized representatives.
- (d) The HSP may not commence a proceeding for damages or otherwise against any person with respect to any act done or omitted to be done, any conclusion reached or report submitted that is done in good faith in respect of a Review.

8.3 Document Retention and Record Maintenance. The HSP will

- (a) retain all records (as that term is defined in FIPPA) related to the HSP's

performance of its obligations under this Agreement for 7 years after the

termination or expiration of the term of this Agreement. The HSP's obligations under this section will survive any termination or expiry of this Agreement;

- (b) keep all financial records, invoices and other finance-related documents relating to the Funding or otherwise to the Services by Home and in a manner consistent with either generally accepted accounting principles or international financial reporting standards as advised by the HSP's auditor; and
- (c) keep all non-financial documents and records relating to the Funding or otherwise to the Services by Home in a manner consistent with all Applicable Law.

8.4 Disclosure of Information.

- (a) **FIPPA.** The HSP acknowledges that the LHIN is bound by FIPPA and that any information provided to the LHIN in connection with this Agreement may be subject to disclosure in accordance with FIPPA.
- (b) **Confidential Information.** The parties will treat Confidential Information as confidential and will not disclose Confidential Information except with the consent of the disclosing party or as permitted or required under FIPPA, the *Municipal Freedom of Information and Protection of Privacy Act*, the *Personal Health Information Protection Act, 2004*, the Act, court order, subpoena or other Applicable Law. Notwithstanding the foregoing, the LHIN may disclose information that it collects under this Agreement in accordance with LHSIA.

8.5 Transparency. The HSP will post a copy of this Agreement and each Compliance Declaration submitted to the LHIN during the term of this Agreement in a conspicuous and easily accessible public place at each Home. If the HSP or a Home operates a public website, this Agreement will also be posted on these websites.

8.6 Auditor General. For greater certainty the LHIN's rights under this article are in addition to any rights provided to the Auditor General under the *Auditor General Act* (Ontario).

ARTICLE 9.0 — ACKNOWLEDGEMENT OF LHIN SUPPORT

9.1 Publication. For the purposes of this Article 9, the term "*Publication*" means: an

annual report; a strategic plan; a material publication on a consultation about a possible integration; a material publication on community engagement; and, a material report to the community that the HSP develops and makes available to the public in electronic or hard copy.

9.2 Acknowledgment of Funding Support.

- (b) Neither party may use any insignia or logo of the other party without the prior written permission of the other party. For the LHIN, this includes any insignia or logo of Her Majesty the Queen in right of Ontario.

- 11.2 Same.** For greater certainty and without limiting section 11.1, the LHIN is not liable for how the HSP and the HSP's Personnel and Volunteers carry out the Services and is therefore not responsible to the HSP for such Services. Moreover, the LHIN is not contracting with or employing any HSP's Personnel and Volunteers to carry out the terms of this Agreement. As such, it is not liable for contracting with, employing or terminating a contract with or the employment of any HSP's Personnel and Volunteers required to carry out this Agreement, nor for the withholding, collection or payment of any taxes, premiums, contributions or any other remittances due to government for the HSP's Personnel and Volunteers required by the HSP to carry out this Agreement.

- (b) **Required Insurance.** The HSP will put into effect and maintain, with insurers having a secure A.M. Upon the request of the LHIN, a copy of each insurance policy shall be made available to it. The HSP shall ensure that each of its subcontractors obtains all the necessary and appropriate insurance that a prudent person in the business of the subcontractor would maintain and that the Indemnified Parties are named as additional insureds with respect to any liability arising in the course of performance of the subcontractor's obligations under the subcontract.

ARTICLE 12.0 — TERMINATION

12.1 General Provision. This Agreement may be terminated in accordance with the provisions of this Article, with respect to one or more Homes. In the event that this Agreement is terminated in respect of a specific Home, the Agreement is only terminated with respect to those Services at that Home and the Agreement remains in full force and effect in respect of Services provided by the HSP at the remaining Homes.

12.2 Termination by the LHIN.

- (a) **Immediate Termination in Respect of a Single Home.** The LHIN may terminate this Agreement in respect of a Home immediately upon giving Notice to the HSP if:
- (1) the HSP is unable to provide or has discontinued the Services in

whole or in part or the HSP ceases to carry on business; or
 (2) the Home has been closed.

- (b) **Immediate Termination in Respect of Any or All Homes.** In addition to the foregoing, the LHIN may terminate this Agreement in respect of any or all Homes, immediately upon giving Notice to the HSP if:
- (1) the HSP ceases to carry on business;
 - (2) the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver;
 - (3) the LHIN is directed, pursuant to the Act, to terminate this Agreement by the Minister or the Director; or
 - (4) as provided for in section 4.5, the LHIN does not receive the necessary funding from the MOHLTC.
- (c) **Termination in the Event of Financial Difficulties.** If the HSP makes an assignment, proposal, compromise, or arrangement for the benefit of creditors, or is petitioned into bankruptcy, or files for the appointment of a receiver the LHIN will consult with the Director before determining whether this Agreement will be terminated in respect of a Home. If the LHIN terminates this Agreement in respect of a Home because a person has exercised a security interest as contemplated by section 107 of the Act, the LHIN would expect to enter into a service accountability agreement with the person exercising the security interest or the receiver or other agent acting on behalf of that person where the person has obtained the Director's approval under section 110 of the Act and has met all other relevant requirements of Applicable Law.
- (d) **Opportunity to Remedy Material Breach.** If an HSP breaches any material provision of this Agreement, including, but not limited to, the reporting requirements in Article 8 and the representations and warranties in Article 10 and the breach has not been satisfactorily resolved under Article 7, the LHIN will give the HSP Notice, which Notice shall identify the subject Home and specify the particulars of the breach and the period of time within which the HSP is required to remedy the breach. In the event that one or more Homes are to be subject to termination in accordance with this Section, each Home shall be subject of a separate Notice. The Notice will advise the HSP that the LHIN may terminate this Agreement in respect of the Home:
- (1) at the end of the Notice period provided for in the Notice if the HSP fails to remedy the breach within the time specified in the Notice; or
 - (2) prior to the end of the Notice period provided for in the Notice if it becomes apparent to the LHIN that the HSP cannot completely remedy the breach within that time or such further period of time as

the LHIN considers reasonable, or the HSP is not proceeding to remedy the breach in a way that is satisfactory to the LHIN; and

the LHIN may then terminate this Agreement in accordance with the Notice.

12.3 Termination of Services by the HSP.

- (a) Except as provided in section 12.3(b) and (c) below, the HSP may terminate this Agreement at any time, for any reason in respect of one or more Homes, upon giving the LHIN at least six months' Notice.
- (b) Where the HSP intends to cease providing the Services and close a Home, the HSP will provide Notice to the LHIN at the same time the HSP is required to provide Notice to the Director under the Act. The HSP will ensure that the closure plan required by the Act is acceptable to the LHIN.
- (c) Where the HSP intends to cease providing the Services as a result of an intended sale or transfer of a Licence in whole or in part, the HSP will comply with section 6.3 of this Agreement.

12.4 Consequences of Termination.

- (a) If this Agreement is terminated in respect of a Home, pursuant to this Article, the LHIN may:
 - (1) cancel all further Funding instalments in respect of that Home;
 - (2) demand the repayment of any Funding for that Home remaining in the possession or under the control of the HSP;
 - (3) determine the HSP's reasonable costs to wind down the Services in respect of that Home; and
 - (4) permit the HSP to offset the costs determined pursuant to section (3), against the amount owing pursuant to section (2).

Annexe B

Conditions additionnelles applicables au modèle de financement

1.0 Renseignements généraux. Les RLISS versent des fonds sous forme de subvention aux fournisseurs de services de santé liés aux foyers de soins de longue durée, conformément à un modèle de financement établi par le MSSLD. Le modèle actuel fournit une estimation du financement journalier, chiffre qui fait par la suite l'objet d'un rapprochement. Le modèle de financement actuel est à l'étude et peut faire l'objet de modifications pendant la durée (définie ci-dessous) de l'entente. Par conséquent, certaines conditions liées au modèle de financement présenté dans la présente annexe B ont été incorporées à la présente entente dans le but de faciliter sa modification pendant sa durée.

2.0 Autres définitions. Les termes qui ne sont pas définis dans la présente annexe ont le sens qui leur est attribué dans le corps de la présente entente. Les termes suivants ont le sens qui leur est donné ci-dessous.

« **durée** » Durée de la présente entente.

« **engagements relatifs à la SFCC** »

- a) Engagements du FSS relatifs à une entente d'aménagement, décrits à l'annexe A de l'entente de services concernant le foyer, en vigueur entre le FSS et le RLISS le 30 juin 2010;
- b) Engagements du FSS décrits dans une entente d'aménagement concernant des lits qui ont été aménagés ou réaménagés et qui ont été ouverts après le 30 juin 2010 (notamment les engagements énoncés dans la demande du FSS, définis dans l'entente d'aménagement, et toute condition convenue dans l'entente d'aménagement concernant tout écart permis par rapport aux normes de conception normalisées).

« **enveloppe** » Partie de la subvention provinciale estimative affectée à une utilisation particulière. La subvention provinciale estimative est répartie en quatre enveloppes de la façon suivante :

- a) l'enveloppe des « soins infirmiers et personnels »;
- b) l'enveloppe des « programmes et services de soutien »;
- c) l'enveloppe des « aliments crus »;
- d) l'enveloppe des « autres services ».

« **rapport de rapprochement** » Le rapport de rapprochement mentionné à l'article 3 du Règlement 264/07 pris en application de la LISSL.

« **subvention autorisée** » S'entend au sens de l'article 3 du Règlement 264/07 pris en application de la LISSL.

« **subvention de financement des coûts de construction** » ou « **SFCC** » Les fonds que le MSSLD a convenu de fournir, ou dont il a convenu d'assurer la fourniture, au FSS dans le cadre d'une entente visant la construction, l'aménagement, le réaménagement, la rénovation ou l'amélioration de lits (une « **entente d'aménagement** »).

« **subvention provinciale estimative** » La subvention provinciale estimative que doit verser un RLISS à un FSS, calculée conformément à la législation applicable et à la politique applicable.

3.0 Octroi des fonds

3.1 Au cours de chaque année de financement, le RLISS informera le FSS du montant de sa subvention provinciale estimative. Le montant de la subvention provinciale estimative sera calculé mensuellement et annuellement et sera réparti entre les enveloppes et les autres voies de financement applicables au FSS, y compris la SFCC.

3.2 La subvention provinciale estimative sera remise au FSS sur une base mensuelle conformément au calcul mensuel décrit au point 3.1 et conformément à la présente entente. Les paiements seront versés au FSS le 22^e jour de chaque mois ou aux alentours de cette date, pendant toute la durée de l'entente.

3.3 La SFCC sera fournie comme partie intégrante de la subvention provinciale estimative et selon les modalités de l'entente d'aménagement et de la politique applicable. Cette obligation demeurera en vigueur après la résiliation de la présente entente.

4.0 Utilisation des fonds

4.1 Sauf s'il est autrement stipulé dans la présente annexe B, le FSS utilisera tous les fonds affectés à une enveloppe particulière aux fins prévues par la politique applicable.

4.2 Si le RLISS décide de procéder à une réduction financière, cette réduction s'appliquera à la partie de la subvention provinciale estimative affectée à l'enveloppe « autres services ».

5.0 Subventions pour le financement des coûts de construction

5.1 Sous réserve des cas prévus aux points 5.2 et 5.3, le FSS doit continuer à remplir tous les engagements relatifs à la SFCC, et les engagements relatifs à la SFCC sont par les présentes incorporés à l'entente et réputés en faire partie intégrante.

5.2 Le FSS n'est pas tenu de continuer à remplir les engagements relatifs à la SFCC dont le MSSLD a convenu par écrit, si, selon le cas : (i) les engagements ont été remplis de manière satisfaisante; (ii) il n'est plus nécessaire de les remplir, et le FSS doit être en mesure de fournir au RLISS une copie d'une telle entente écrite.

5.3 Si la présente entente fait état d'une exigence en matière de services qui dépasse l'engagement énoncé dans les engagements relatifs à la SFCC, le FSS doit remplir les exigences en matière de services contenues dans la présente entente.

5.4 Le MSSLD a la responsabilité de s'assurer que le FSS respecte en tout temps les engagements relatifs à la SFCC. Malgré ce qui précède, le FSS convient d'attester de son respect des engagements relatifs à la SFCC si le RLISS lui en fait la demande.

6.0 Rapprochement

6.1 Le FSS préparera les rapports de rapprochement et les soumettra au MSSLD conformément à l'annexe C. Les rapports de rapprochement seront présentés en respectant les exigences de la législation applicable et de la politique applicable en ce

qui concerne la forme et le contenu, ou de la façon requise par le RLISS conformément à la présente entente.

- 6.2 Le RLISS procédera au rapprochement de la subvention provinciale estimative qu'il fournit en vertu de la clause 3.0 de la présente annexe. Ce rapprochement sera effectué en conformité avec la législation applicable et la politique applicable en vue de produire la subvention autorisée.

The current model provides estimated per diem funding that is subsequently reconciled. The current funding model is under review and may change during the Term (as defined below). As a result, and for ease of amendment during the Term, this Agreement incorporates certain terms and conditions that relate to the funding model in this Schedule B.

“Construction Funding Subsidy” or **“CFS”** means the funding that the MOHLTC agreed to provide, or to ensure the provision of, to the HSP, in an agreement for the construction, development, redevelopment, retrofitting or upgrading of beds (a **“Development Agreement”**).

“Envelope” is a portion of the Estimated Provincial Subsidy that is designated for a specific use. There are four Envelopes in the Estimated Provincial Subsidy as follows:

Schedule B

Additional Terms and Conditions Applicable to the Funding Model

1.0 Background. The LHINs provide subsidy funding to long-term care home health service providers pursuant to a funding model set by MOHLTC. The current model provides estimated per diem funding that is subsequently reconciled. The current funding model is under review and may change during the Term (as defined below). As a result, and for ease of amendment during the Term, this Agreement incorporates certain terms and conditions that relate to the funding model in this Schedule B.

2.0 Additional Definitions. Any terms not otherwise defined in this Schedule have the same meaning attributed to them in the main body of this Agreement. The following terms have the following meanings:

“Allowable Subsidy” refers to Allowable Subsidy as defined in s. 3 of Reg. 264/07 under LHSIA.

“Construction Funding Subsidy” or **“CFS”** means the funding that the MOHLTC agreed to provide, or to ensure the provision of, to the HSP, in an agreement for the construction, development, redevelopment, retrofitting or upgrading of beds (a **“Development Agreement”**).

“CFS Commitments” means

- (a) commitments of the HSP related to a Development Agreement, identified in Schedule A of the service agreement in respect of the Home in effect between the HSP and the LHIN on June 30, 2010, and
- (b) commitments of the HSP identified in a Development Agreement in respect of beds that were developed or redeveloped and opened for occupancy after June 30, 2010, (including, without limitation, any commitments set out in the HSP’s Application as defined in the Development Agreement, and any conditions agreed to in the Development Agreement in respect of any permitted variances from standard design standards.)

“Envelope” is a portion of the Estimated Provincial Subsidy that is designated for a specific use. There are four Envelopes in the Estimated Provincial Subsidy as follows:

- (a) the “Nursing and Personal Care” Envelope;
- (b) the “Program and Support Services” Envelope;
- (c) the “Raw Food” Envelope; and
- (d) the “Other Accommodation” Envelope.

“Estimated Provincial Subsidy” means the estimated provincial subsidy to be provided by a LHIN to an HSP calculated in accordance with Applicable Law and Applicable Policy.

“Reconciliation Report” refers to the Reconciliation Report as referenced in s. 3 of Reg 264/07 under LHSIA.

“Term” means the term of this Agreement.

3.0 Provision of Funding.

3.1 In each Funding Year, the LHIN shall advise the HSP of the amount of its Estimated Provincial Subsidy. The amount of the Estimated Provincial Subsidy shall be calculated on both a monthly basis and an annual basis and will be allocated among the Envelopes and other funding streams applicable to the HSP, including the CFS.

3.2 The Estimated Provincial Subsidy shall be provided to the HSP on a monthly basis in accordance with the monthly calculation described in 3.1 and otherwise in accordance with this Agreement. Payments will be made to the HSP on or about the twenty-second (22nd) day of each month of the Term.

3.3 CFS will be provided as part of the Estimated Provincial Subsidy and in accordance with the terms of the Development Agreement and Applicable Policy. This obligation survives any expiry or termination of this Agreement.

4.0 Use of Funding.

4.1 Unless otherwise provided in this Schedule B, the HSP shall use all Funding allocated for a particular Envelope only for the use or uses set out in the Applicable Policy.

4.5 In the event that a financial reduction is determined by the LHIN, the financial reduction will be applied against the portion of the Estimated Provincial Subsidy in the "Other Accommodation" Envelope.

5.0 Construction Funding Subsidies.

5.1 Subject to 5.2 and 5.3 the HSP is required to continue to fulfill all CFS Commitments, and the CFS Commitments are hereby incorporated into and deemed part of the Agreement.

5.2 The HSP is not required to continue to fulfill CFS Commitments that the MOHLTC has acknowledged in writing: (i) have been satisfactorily fulfilled; or (ii) are no longer required to be fulfilled; and the HSP is able to provide the LHIN with a copy of such written acknowledgment.

5.3 Where this Agreement establishes or requires a service requirement that surpasses the service commitment set out in the CFS Commitments, the HSP is required to comply with the service requirements in this Agreement.

5.4 MOHLTC is responsible for monitoring the HSP's on-going compliance with the CFS Commitments. Notwithstanding the foregoing, the HSP agrees to certify its compliance with the CFS Commitments when requested to do so by the LHIN.

6.0 Reconciliation.

6.1 The HSP shall complete the Reconciliation Reports and submit them to MOHLTC

in accordance with Schedule C. The Reconciliation Reports shall be in such form and containing such information as required by Applicable Law and Applicable Policy or as otherwise required by the LHIN pursuant this Agreement.

6.2 The Estimated Provincial Subsidy provided by the LHIN under section 3.0 of this Schedule shall be reconciled by the LHIN in accordance with Applicable Law and Applicable Policy to produce the Allowable Subsidy.

As a result, and for ease of amendment during the Term, this Agreement incorporates certain terms and conditions that relate to the funding model in this Schedule B.

“Envelope” is a portion of the Estimated Provincial Subsidy that is designated for a specific use. There are four Envelopes in the Estimated Provincial Subsidy as follows:

- (a) the “Nursing and Personal Care” Envelope;

3.0 Provision of Funding.

3.1 In each Funding Year, the LHIN shall advise the HSP of the amount of its Estimated Provincial Subsidy. The amount of the Estimated Provincial Subsidy shall be calculated on both a monthly basis and an annual basis and will be allocated among the Envelopes and other funding streams applicable to the HSP, including the CFS.

3.2 The Estimated Provincial Subsidy shall be provided to the HSP on a monthly basis in accordance with the monthly calculation described in 3.1 and otherwise in accordance with this Agreement. Payments will be made to the HSP on or about the twenty-second (22nd) day of each month of the Term.

3.3 CFS will be provided as part of the Estimated Provincial Subsidy and in accordance with the terms of the Development Agreement and Applicable Policy. This obligation survives any expiry or termination of this Agreement.

5.1 Subject to 5.2 and 5.3 the HSP is required to continue to fulfill all CFS Commitments, and the CFS Commitments are hereby incorporated into and deemed part of the Agreement.

5.2 The HSP is not required to continue to fulfill CFS Commitments that the MOHLTC has acknowledged in writing: (i) have been satisfactorily fulfilled; or (ii) are no longer required to be fulfilled; and the HSP is able to provide the LHIN with a copy of such written acknowledgment.

5.3 Where this Agreement establishes or requires a service requirement that surpasses the service commitment set out in the CFS Commitments, the HSP is required to comply with the service requirements in this Agreement.

Schedule B

Additional Terms and Conditions Applicable to the Funding Model

1.0 Background. The LHINs provide subsidy funding to long-term care home health service providers pursuant to a funding model set by MOHLTC. The current model provides estimated per diem funding that is subsequently reconciled. The current funding model is under review and may change during the Term (as defined below). As a result, and for ease of amendment during the Term, this Agreement incorporates certain terms and conditions that relate to the funding model in this Schedule B.

2.0 Additional Definitions. Any terms not otherwise defined in this Schedule have the same meaning attributed to them in the main body of this Agreement. The following terms have the following meanings:

“Allowable Subsidy” refers to Allowable Subsidy as defined in s. 3 of Reg. 264/07 under LHSIA.

“Construction Funding Subsidy” or **“CFS”** means the funding that the MOHLTC agreed to provide, or to ensure the provision of, to the HSP, in an agreement for the construction, development, redevelopment, retrofitting or upgrading of beds (a **“Development Agreement”**).

“CFS Commitments” means

- (a) commitments of the HSP related to a Development Agreement, identified in Schedule A of the service agreement in respect of the Home in effect between the HSP and the LHIN on June 30, 2010, and
- (b) commitments of the HSP identified in a Development Agreement in respect of beds that were developed or redeveloped and opened for occupancy after June 30, 2010, (including, without limitation, any commitments set out in the HSP’s Application as defined in the Development Agreement, and any conditions agreed to in the Development Agreement in respect of any permitted variances from standard design standards.)

“Envelope” is a portion of the Estimated Provincial Subsidy that is designated for a specific use. There are four Envelopes in the Estimated Provincial Subsidy as follows:

- (a) the “Nursing and Personal Care” Envelope;
- (b) the “Program and Support Services” Envelope;
- (c) the “Raw Food” Envelope; and
- (d) the “Other Accommodation” Envelope.

“Estimated Provincial Subsidy” means the estimated provincial subsidy to be provided by a LHIN to an HSP calculated in accordance with Applicable Law and Applicable Policy.

“Reconciliation Report” refers to the Reconciliation Report as referenced in s. 3 of Reg 264/07 under LHSIA.

“Term” means the term of this Agreement.

3.0 Provision of Funding.

3.1 In each Funding Year, the LHIN shall advise the HSP of the amount of its Estimated Provincial Subsidy. The amount of the Estimated Provincial Subsidy shall be calculated on both a monthly basis and an annual basis and will be allocated among the Envelopes and other funding streams applicable to the HSP, including the CFS.

3.2 The Estimated Provincial Subsidy shall be provided to the HSP on a monthly basis in accordance with the monthly calculation described in 3.1 and otherwise in accordance with this Agreement. Payments will be made to the HSP on or about the twenty-second (22nd) day of each month of the Term.

3.3 CFS will be provided as part of the Estimated Provincial Subsidy and in accordance with the terms of the Development Agreement and Applicable Policy. This obligation survives any expiry or termination of this Agreement.

4.0 Use of Funding.

4.1 Unless otherwise provided in this Schedule B, the HSP shall use all Funding allocated for a particular Envelope only for the use or uses set out in the Applicable Policy.

4.5 In the event that a financial reduction is determined by the LHIN, the financial reduction will be applied against the portion of the Estimated Provincial Subsidy in the "Other Accommodation" Envelope.

5.0 Construction Funding Subsidies.

5.1 Subject to 5.2 and 5.3 the HSP is required to continue to fulfill all CFS Commitments, and the CFS Commitments are hereby incorporated into and deemed part of the Agreement.

5.2 The HSP is not required to continue to fulfill CFS Commitments that the MOHLTC has acknowledged in writing: (i) have been satisfactorily fulfilled; or (ii) are no longer required to be fulfilled; and the HSP is able to provide the LHIN with a copy of such written acknowledgment.

5.3 Where this Agreement establishes or requires a service requirement that surpasses the service commitment set out in the CFS Commitments, the HSP is required to comply with the service requirements in this Agreement.

5.4 MOHLTC is responsible for monitoring the HSP's on-going compliance with the CFS Commitments. Notwithstanding the foregoing, the HSP agrees to certify its compliance with the CFS Commitments when requested to do so by the LHIN.

6.0 Reconciliation.

6.1 The HSP shall complete the Reconciliation Reports and submit them to MOHLTC

in accordance with Schedule C. The Reconciliation Reports shall be in such form and containing such information as required by Applicable Law and Applicable Policy or as otherwise required by the LHIN pursuant this Agreement.

6.2 The Estimated Provincial Subsidy provided by the LHIN under section 3.0 of this Schedule shall be reconciled by the LHIN in accordance with Applicable Law and Applicable Policy to produce the Allowable Subsidy.

“Envelope” is a portion of the Estimated Provincial Subsidy that is designated for a specific use. There are four Envelopes in the Estimated Provincial Subsidy as follows:

- (a) the “Nursing and Personal Care” Envelope;
- (b) the “Program and Support Services” Envelope;
- (c) the “Raw Food” Envelope; and

3.2 The Estimated Provincial Subsidy shall be provided to the HSP on a monthly basis in accordance with the monthly calculation described in 3.1 and otherwise in accordance with this Agreement. Payments will be made to the HSP on or about the twenty-second (22nd) day of each month of the Term.

3.3 CFS will be provided as part of the Estimated Provincial Subsidy and in accordance with the terms of the Development Agreement and Applicable Policy. This obligation survives any expiry or termination of this Agreement.

4.0 Use of Funding.

4.1 Unless otherwise provided in this Schedule B, the HSP shall use all Funding allocated for a particular Envelope only for the use or uses set out in the Applicable Policy.

4.5 In the event that a financial reduction is determined by the LHIN, the financial reduction will be applied against the portion of the Estimated Provincial Subsidy in the "Other Accommodation" Envelope.
