## Experience

#### Measure - Dimension: Patient-centred

| Indicator #1   | Туре |     | Source /<br>Period        | Current<br>Performance | Target | Target Justification                                 | External Collaborators |
|--|------|-----|---------------------------|------------------------|--------|--|------------------------|
| The resident has input into the recreation programs available. | С    | . , | In-house<br>survey / 2024 | 35.70                  |        | Continued improvement toward corporate target of 85% |                        |

#### **Change Ideas**

Change Idea #1 Residents to have more autonomy on their home area calendar programs.

| Methods  | Process measures  | Target for process measure   | Comments |
|--|---|--|----------|
| Monthly meeting with residents by<br>home area for the purpose of their input<br>into their home area specific calendar.<br>This will be listed as a new program on<br>the monthly calendar. | # of ideas generated # of attendees # of<br>ideas implemented on the calendar | 20% of residents in each home area to attend monthly meeting April 2025 to initiate resident program suggestions |          |

Change Idea #2 To increase family awareness of programs offered to residents, including highlighting the residents' input to the calendar.

| Methods   | Process measures                      | Target for process measure   | Comments |
|---|---------------------------------------|--|----------|
| Monthly newsletter to family to include<br>a section of resident inputted calendar<br>programs to feature the programs that<br>residents have asked for. Newsletters is<br>our primary method of communication<br>with families. This is emailed out. It will<br>also be mentioned at quarterly<br>townhalls. | featured section # times appearing on | Monthly newsletter to include a section<br>of resident choice programs starting<br>May 2025. Resident choice programs will<br>be mentioned at quarterly townhalls<br>beginning June 2025 |          |

# Measure - Dimension: Patient-centred

| Indicator #2  | Туре |               | Source /<br>Period        | Current<br>Performance | Target | Target Justification                                 | External Collaborators |
|---|------|---------------|---------------------------|------------------------|--------|--|------------------------|
| I am satisfied with the quality of care from doctors. | С    | % / Residents | In-house<br>survey / 2024 | 50.00                  |        | Continue to improve toward<br>Extendicare target 85% |                        |

#### **Change Ideas**

Change Idea #1 Increase awareness of role of doctor in LTC and funding model. Increase awareness of role of NP Determine if NP on staff would be beneficial

| Methods   | Process measures   | Target for process measure   | Comments |
|---|--|--|----------|
| Resident Council to address roles,<br>responsibilities, and concerns. Quality of<br>care to be added to PAC (professional | # of education info sessions by<br>September 2025. # of time DOC (or<br>ADOC) attends Family and Resident<br>Council in 2025. To be added to the<br>agenda 4 x at PAC for the year 2025. | Education will be provided by September<br>2025 DOC/ADOC will attend Family and<br>Resident council by September 2025<br>Quality of Care will be added to PAC<br>agenda by June 2025 |          |
| DOC to determine if FT NP is appropriate for our home   |  |  |          |

# Measure - Dimension: Patient-centred

| Indicator #3  | Туре | · ·           | Source /<br>Period        | Current<br>Performance | Target | Target Justification                                   | External Collaborators |
|---|------|---------------|---------------------------|------------------------|--------|--|------------------------|
| I am satisfied with the variety of food and beverage. | С    | % / Residents | In-house<br>survey / 2024 | 52.90                  |        | Continued improvement toward<br>Extendicare target 85% |                        |

#### Change Ideas

| Change Idea #1 To introduce Resident Choice meal monthly   |   |   |          |  |  |  |  |
|--|---|---|----------|--|--|--|--|
| Methods  | Process measures  | Target for process measure  | Comments |  |  |  |  |
| Residents can suggest options and ideas<br>at monthly food committee. Selection<br>will be based on majority vote. FSM will<br>implement on the following month<br>menu. Therapeutics will be offered<br>wherever possible to compliment this<br>resident selected menu. | # of resident choice suggestions # of suggestions implemented | Menu choice ideas will be added to<br>monthly food committee meeting<br>agenda by June 2025. 10 sets of menu<br>choice ideas will be presented by Dec<br>2025 1 Resident menu choice idea will<br>appear on resident monthly menu<br>starting in April 2025 |          |  |  |  |  |

# Safety

# Measure - Dimension: Safe

| Indicator #4  | Туре | Source /<br>Period   | Current<br>Performance | Target | Target Justification   | External Collaborators        |
|---|------|--|------------------------|--------|--|-------------------------------|
| Percentage of LTC home residents<br>who fell in the 30 days leading up to<br>their assessment | Ο    | CIHI CCRS /<br>July 1 to Sep<br>30, 2024<br>(Q2), as<br>target<br>quarter of<br>rolling 4-<br>quarter<br>average | 12.20                  |        | To continue to improve and<br>perform better than Extendicare<br>target of 15% | Achieva, Behavioural Supports |

#### **Change Ideas**

#### Change Idea #1 Reassess the falling leaf program and educate staff on the program.

| Methods   | Process measures  | Target for process measure   | Comments |
