Extendicare Announces Increase of Previously Announced Public Offering to \$110 million of Convertible Debentures

NOT FOR DISTRIBUTION IN THE UNITED STATES OR OVER UNITED STATES WIRE SERVICES

MARKHAM, ONTARIO – Extendicare Inc. (“Extendicare” or the “Company”) (TSX: EXE) announced today that, due to increased investor demand, it has amended the terms of its previously announced public offering of convertible unsecured subordinated debentures. The Company has reached an agreement with a syndicate of underwriters led by RBC Capital Markets (the “Underwriters”) to issue to the public, subject to regulatory approval, on a bought deal basis, \$110 million aggregate principal amount of 6.00% convertible unsecured subordinated debentures due September 30, 2019 (the “Debentures”) with a conversion price of \$11.25 (the “Offering”). Extendicare has granted an over-allotment option exercisable at any time up to 30 days after the closing date, to acquire additional Debentures equal to the lesser of \$16.5 million aggregate principal amount of Debentures and the Underwriters’ “Over-Allocation Position” as at the closing date.

The net proceeds from the Offering (after deducting the Underwriters’ fee and expenses of the Offering) will be used primarily to redeem the Company’s outstanding 7.25% convertible unsecured subordinated debentures due on June 30, 2013 (the “2013 Debentures”), with an aggregate principal amount outstanding of \$91,794,000, trading on the TSX under the trading symbol “EXE.DB.A”. The balance of the net proceeds will be used by the Company for general corporate purposes, which may include reducing indebtedness, funding internal growth expenditures or purchasing common shares of the Company under its normal course issuer bid.

Extendicare will, by September 10, 2012, file with the securities commissions and other similar regulatory authorities in each of the provinces of Canada a preliminary short form prospectus relating to the issuance of the Debentures. Closing of the Offering is expected to take place on or about September 25, 2012.

Early Redemption of the 2013 Debentures

Extendicare intends to, upon closing of the Offering, deliver a notice to Computershare Trust Company of Canada, as trustee for the 2013 Debentures, with respect to the redemption of all of the issued and outstanding 2013 Debentures, such notice to be delivered in accordance with the terms of the trust indenture dated June 21, 2007 between Extendicare and Computershare Trust Company of Canada, as supplemented, governing the terms of the 2013 Debentures (the “Indenture”). Extendicare intends to redeem in full the 2013 Debentures with cash in accordance with the Indenture. Any accrued and unpaid interest will be paid in cash on the redemption date.
